

30/06/20

Dear guest,

First of all, we want you to be perfectly!!!

The security of our clients and our staff, in short, the security of every person who visits our establishments is the reason for this protocol and our highest priority at this time.

The Mares Group family has designed and implemented this strict protocol so that our clients can enjoy our services relaxed and without worries and our staff can carry out their work effectively and with all guarantee. We need the commitment and understanding of both customers, staff and also suppliers for this new form of coexistence and in such a minimize the risk of contagion of COVID-19 in our establishments.

General guidelines

- We have placed disinfectant gels to everyone who accesses to disinfect their hands.
- At the main entrance of the hotel we have placed a carpet to disinfect shoes.
- We have a thermometer at reception to take the temperature at any customer who requests it.
- We intensify the cleaning of common areas such as stairs, door handles, surfaces, washbasin, taps, etc.
- Our staff has been trained on the measures to prevent COVID-19 infection.
- We have placed posters remembering the hygienic-sanitary measures at the hotel and the guidelines to be followed by customers.
- The client has at his disposal several QR codes of the hotel to consult information, schedules and menu cards to avoid the exchange of documents.

FOR SAFETY AND TRANQUILITY, WE NEED THE COMMITMENT OF EVERYONE.

WITH THE PARTICIPATION OF ALL, WE ARE SAFER

MAIN AREAS

Constant cleaning and disinfection. Among other measures, the cleaning plan will be reinforced by adding sensitive areas and increasing the frequency of disinfection. In short, cleaning and disinfection is one of the aspects that will be most emphasized.

- Prior to opening, an exhaustive cleaning and disinfection of Tres Mares has been carried out with virucide products authorized by the ministry of health, including transit areas, service areas and rooms, which will be maintained throughout this year.
- Toilets in public areas and staff area are cleaned and disinfected 6 times a day. Special emphasis is placed on areas of greater risk (door knobs, sinks, faucets, handles, counters, doors, toilet flush button, railings, soap dispensers and wipes).
- Doors and windows in common areas are open for ventilation and aeration as weather permits.
- People staying at Dos Mares will find hydroalcoholic gel for use in common areas, at all the entrances to our establishments.

MEASURES IN RECEPTION

The **use of the mask will be required.**

We also will request that you disinfect your hands at the entrance. We will measure your temperature (if you request it) and you will be able to disinfect your footwear on the rugs located at the entrance of the reception.

- The maximum capacity in the reception area is 2 people. If reception is occupied please wait outside.
- We have placed screens on the reception desk to protect customers and staff.
- We have marked the distance on the ground with stickers.
- A disinfection of the reception surfaces will be carried out at least every 2 hours, the POS will be disinfected after the use of each client.

CHECK IN / CHECK OUT

- The check-in time is delayed at 15:00. If your room is prepared before you can access it earlier.
- Clients staying at the hotel receive the key to their room and will keep it throughout the stay, giving it back to the reception at check out.
- For both, check in and check out, we ask all clients to leave their luggage in the car or outside, since practically all rooms have individual entrances that do not go through reception.
- The POS will be disinfected after the use of each client.

MEASURES IN THE ROOMS

Between each check-out, our team will perform a deep cleaning, disinfecting all the surfaces of the room according to the marked protocol. Special emphasis will be given to the bathroom, taps, filters, wastebaskets, hangers, telephone, door and window knobs, switches, surfaces. A high cleaning protocol will be maintained.

- The cleaners will work with mask and gloves.
- The cleaning and maintenance staff will not provide service in the rooms while the guest remains inside.
